Manitou Springs' Climate Protection Campaign

CLIMATE PROTECTION MULTIMEDIA PRESENTATION AVAILABLE FOR YOUR NEXT MEETING

Learn about Manitou Springs' goals for Climate Protection and how we plan to meet our 10 % Carbon Reduction goal by the end of 2010. Understand why it is important for Manitou to join with other communities globally to reverse environmental trends initiated by human activities.

If your Club, Civic Group, Church Group, Business Organization or simply a group of neighborhood friends wish to host this presentation (30 to 45 minutes with questions) please contact teresanoryian@aol.com, 375-1050 to schedule a viewing.
